

Volunteer Opportunities

There are several ways to get involved. They include:

- 1. Help at the monthly ID drives.** These are the sessions at which applicants sign up for an ID card, present the required documents, get their photo taken, etc. No special skills are needed. The drives will take place on Saturdays, and volunteers will spend 3-4 hours there.
- 2. Translation assistance.** We need our publicity and certain other documents translated into Spanish.
- 3. Ask local merchants to support the ID card program.** One of our goals is to help card holders feel welcomed and included in our community. We're asking merchants to put up a poster in their stores and restaurants, indicating the they support the ID program.
- 4. Spread the word.** Tell people who may not have IDs about the program, and where they can get more information.
- 5. Sign up for a card yourself!** Those who don't need another ID are encouraged to get one of ours. This will help remove any stigma attached to the program.

NOTE: Volunteers do not need to be fluent in Spanish or any other foreign language, except for item 2.
